

Plants ltd. 2008 Holiday Price List

105 Delaplane Avenue Newark Delaware 19711

Phone 302-733-0838 Digital Phone 563-5101 fax 738-5311

email plantsltd@verizon.net

Plants ltd. will install your trees and poinsettias and remove them after the holidays. Poinsettias are sold by number of blooms. Different suppliers grow various sizes and varieties. Prices may change slightly during the season.

Poinsettias: require light and water, freeze at 45 degrees

Remove sleeves as soon as possible Poinsettias release ethylene and will burn the leaves if left sleeved too long.

Plants ltd. offers fresh cut decorations, artificial available. All our decoration prices are rental unless otherwise specified. We will remove your decorations and store them till next year. We have spectacular displays with **flocked** trees, wreaths and lighting, **poinsettias**, and custom displays.

Artificial trees are available. Due to the vast selection we will not price them on our list this year. Call for a price. Trees are about 10.00 a foot installed. Then add 10.00 a foot for lights, decorations, and 10.00 for a bow top and tree skirt. **A 7' installed lighted and decorated tree is about 250.00.** White pine roping and artificial garland is available in any length.

We have developed an unusual alternative to the standard tree. **Colored flocking** available in stripes of two colors. Green and pink, and white, etc. We have never done a black and white tree but we can!

Our poinsettias are guaranteed to be of beautiful color and quality. We cannot guarantee them during the holidays unless we are paid to water them every few days.

Flocked hanging baskets are an easy way to decorate dark areas such as restaurants. In addition, they are inexpensive too.
